01 / THE HOTEL

Stay details & room rates

Aster House Lahore | A concise reference for room selection, included charges and guest capacity.

All names, prices, services and policies in this guide are fictional. Prepared for Nexa retrieval and support demonstrations. No real booking or payment service is offered.

FAQ-01 | What is Aster House Lahore?

Aster House Lahore is a fictional boutique hotel created for the Nexa hackathon project. Its fictional location is Demo District, Lahore, Pakistan. It offers overnight room stays and breakfast. It is not a real hotel and cannot accept real reservations or payments.

FAQ-02 | What are the room prices and capacities?

A Standard Queen room costs PKR 8,000 per room per night and accommodates up to 2 guests. A Deluxe Twin room costs PKR 10,000 per room per night and accommodates up to 2 guests. A Family Suite costs PKR 15,000 per room per night and accommodates up to 4 guests. These are fictional rates.

FAQ-03 | Are taxes, service charges and meals included?

All listed room prices include the fictional hotel's taxes and service charges. Breakfast is not included in the room rate. No lunch or dinner service is offered. Parking and Wi-Fi are included at no additional charge, subject to the parking policy in FAQ-19.

FAQ-04 | How much does breakfast cost?

Breakfast costs PKR 500 per person per day for guests aged 6 or older. Children under 6 receive breakfast free when accompanied by a paying adult. Breakfast is served daily from 7:00 AM to 10:00 AM Pakistan time. Breakfast charges are paid at the hotel and are not part of the room deposit.

FAQ-05 | Are discounts, extra beds or connecting rooms available?

No discounts or promotional codes are defined in this knowledge source. Extra beds and connecting rooms are not offered. Room occupancy must stay within the listed capacity, counting adults and children. Requests for a negotiated rate or an occupancy exception must be reviewed by the hotel owner; the assistant must not promise approval.

FAQ-06 | What timezone and currency apply?

All prices use Pakistani rupees (PKR). All times and cancellation deadlines use Pakistan Standard Time, Asia/Karachi (UTC+05:00). Rates are per room per night, not per guest. This fictional policy version is dated 24 October 2026.

02 / BOOKING & ARRIVAL

From inquiry to check-in

Aster House Lahore | Booking requirements, confirmation boundaries and arrival policies.

FAQ-07 | How can a guest request a booking?

Provide the guest's full name, phone or email, arrival date, departure date, number of adults and children, and preferred room type. A booking must cover at least one night. The assistant may collect this information and forward the request. A conversation or inquiry alone does not create a confirmed reservation.

FAQ-08 | Who confirms availability and the reservation?

A human reservations team member must check room availability, confirm the final quote and give a booking reference. The assistant has no live room inventory and must not claim that any room is available or booked. Wait for the human team's confirmation before treating a request as a reservation.

FAQ-09 | How much is the reservation deposit?

After availability and the quote are confirmed by the human team, the required deposit is 25% of the room accommodation subtotal. The remaining 75% is due at check-in. Breakfast and any approved optional charges are separate. For a Standard Queen room for two nights, the room subtotal is PKR 16,000, the deposit is PKR 4,000, and the remaining room balance is PKR 12,000.

FAQ-10 | What are check-in and check-out times?

Standard check-in starts at 2:00 PM on the arrival date. Check-out is by 12:00 noon on the departure date. Both times use Asia/Karachi. Reception operates 24 hours daily. A late arrival should be shared with the human reservations team so it can be noted on the booking.

FAQ-11 | Can guests check in early or check out late?

Early check-in is subject to room readiness and human approval; no fixed fee is specified. Late check-out until 3:00 PM costs PKR 2,000 per room if approved and available. Departure after 3:00 PM requires a quote from the human reservations team. Neither early arrival nor late departure can be guaranteed by the assistant.

FAQ-12 | What identification and age requirements apply?

The lead guest must be at least 18 years old and present a valid original CNIC or passport at check-in. Children may stay with an adult within the room capacity. These are fictional hotel policies. Do not send identity document images through chat; show identification directly to the hotel team at check-in.

03 / CHANGES & REFUNDS

Clear cancellation rules

Aster House Lahore | Exact deposit rules for cancellations, changes and refund handling.

FAQ-13 | What is the free-cancellation deadline?

A cancellation received at least 48 hours before the scheduled 2:00 PM check-in time qualifies for a full refund of the room deposit. Exactly 48 hours before check-in is eligible. The deadline uses Asia/Karachi and is based on standard check-in time, not a guest's estimated arrival time.

FAQ-14 | What happens if a guest cancels late or does not arrive?

If cancellation is received less than 48 hours before scheduled check-in, the 25% room deposit is non-refundable. If a guest does not arrive and has not cancelled, the deposit is also non-refundable. Under this fictional policy, no additional room balance is charged for a cancellation or no-show. Early departures after check-in require owner review; the assistant must not promise a refund.

FAQ-15 | Can you give a cancellation-deadline example?

For a reservation with scheduled check-in at 2:00 PM on 30 October 2026, the free-cancellation deadline is 2:00 PM on 28 October 2026, Asia/Karachi. A cancellation received at that exact deadline qualifies for a deposit refund. A cancellation received at 2:01 PM on 28 October 2026 is late and the deposit is non-refundable.

FAQ-16 | How long do approved refunds take?

An approved deposit refund is processed within 5 business days after approval by the human reservations team. Business days are Monday through Friday, excluding Pakistan public holidays. The assistant must not calculate a guaranteed arrival date or claim a refund has been approved or sent. Refunds return through the original payment method.

FAQ-17 | Can dates, room types or guest details be changed?

Changes require a human availability check and written confirmation. The current quoted room rate may change when dates or room type change. This source defines no automatic change fee. A modification request does not extend the original cancellation deadline until a revised booking is confirmed by the human team.

FAQ-18 | How are payments and payment disputes handled?

The fictional hotel supports a bank-transfer deposit after a human booking confirmation. The remaining balance and breakfast can be paid by cash or card at check-in. No real bank account, payment link or card-processing service exists for this hackathon business. Never collect card numbers, CVV codes or one-time passwords in chat. Payment disputes and claimed duplicate charges must be reviewed by a human.

04 / AMENITIES & SUPPORT

Useful answers. Clear boundaries.

Aster House Lahore | Facilities, contact channels and cases that require human assistance.

FAQ-19 | What amenities and parking are available?

All room types include air conditioning, Wi-Fi and a private bathroom. The hotel offers complimentary on-site parking subject to space at arrival; parking spaces cannot be reserved. There is no swimming pool, gym, spa or meeting room. The assistant must not invent additional amenities.

FAQ-20 | Are pets and smoking allowed?

Pets are not allowed. All indoor rooms and shared indoor areas are non-smoking. Smoking is allowed only in the designated outdoor area. This source specifies no smoking fine or exception process. Requests involving an exception or an accessibility-related accommodation require human review.

FAQ-21 | Are airport transfers or accessible rooms available?

Airport pickup and drop-off are not offered. Guests arrange their own transportation. This source does not confirm accessible room features, step-free access or specialized equipment. Accessibility questions must be passed to the human team; the assistant must not claim that a particular accommodation is available.

FAQ-22 | How can a guest contact the team?

The fictional reservations email is reservations@asterhouse.example. The fictional website is https://asterhouse.example. Both are reserved example addresses for hackathon content and do not provide a real service. No phone or WhatsApp number is configured. For the Nexa workflow, collect the guest's preferred contact and create a human follow-up request.

FAQ-23 | When should a conversation go to a human?

Hand off requests to book a stay, check availability, negotiate prices, approve refunds, handle complaints, resolve payment problems or confirm accessibility needs. Also hand off whenever an answer is absent from this source. Collect a name, preferred contact, requested help and urgency when the guest supplies them; do not fabricate missing details or promise a response time.

FAQ-24 | What information is outside this knowledge source?

This source does not provide live availability, nearby-attraction recommendations, a street address, a real phone number, bank details, transport prices, restaurant menus, emergency services or exception approvals. The assistant should state that the information is unavailable and offer human follow-up. Only the explicit facts in this document may be presented as hotel policy.
